

(b) On Delivery and Acceptance: Hundred (100%) percent of the Contract Price of the Goods delivered shall be paid within thirty (30) days of submission of documents specified in GCC Clause 23.1 supported by the Acceptance Certificate issued by the PE as per GCC Clause 24.

27.3 Payments shall be made promptly by the PE, but in no case later than the days indicated in the PCC after submission of an invoice or request for payment by the Supplier, and after the PE has accepted it.

Payments shall be made in no case later than the days [Indicate the days] after submission of an invoice or request for payment by the Supplier, and after the PE has accepted it. Not Applicable.

27.5 In the event that the PE fails to pay the Supplier any payment by its respective due date or within the period set forth in the PCC, the PE shall pay to the Supplier interest on the amount of such delayed payment at the rate shown in the PCC, for the period of delay until payment has been made in full, whether before or after judgment or arbitration award.

The payment-delay period after which the PE shall pay interest to the supplier shall be [Indicate the days] days after submission of an invoice or request for payment by the Supplier, and after the PE has accepted it. Not Applicable.

GCC
Clause

32. Inspections and Tests

32.1 The PE shall have the right to test the Goods to confirm their conformity to the Contract specifications. The PCC and Technical specifications shall specify what tests the PE requires and where they are to be conducted. The supplier shall at its own expense and at no cost to the PE, carry out all such tests of the Goods and related services as are specified in the Contract.

Goods: Test & Inspection:

i) Sample meter testing:

(a) Sample meters shall be allowed for performance test at testing bed of manufacturer. 2(two) DWASA Engineers will visit the factory where sample testing shall be done. The supplier will inform DWASA for sample testing while sample is ready. If the test report of the sample at manufacturing testing bed is not satisfactory the contract may be terminated.

(b) If, due to unavoidable circumstances, nominated 2(two) DWASA Engineers cannot attend manufacturer's factory for performance test then the supplier shall provide a test report of recognized independent Third Party (International Inspection Agency or Licensed Testing Agent). The supplier shall submit a list of 3 (three) recognized International Inspection Agencies or Licensed Testing Agent for approval by the purchaser prior to Pre-shipment inspection. The approved agent will check the materials during production and prior to shipment and certify the compliance with the specifications set forth in contract document.

All expenses related to the inspection and tests in abroad shall have to be borne by the supplier.

ii) Test & Inspection after delivery:

Physical inspection shall be carried out at the purchasers premises (Dhaka WASA Central Store at Pagla, Dhaka). An inspection committee formed by the purchaser will physically inspect the goods. The following inspection shall be performed:

1. Visible Damage of Shipment
2. Completeness of quantities

In country performance test:

After delivery of the goods, 5 (Five) numbers of 20mm (DN 20) and 2 (Two) numbers of 50mm (DN 50) meters meters meters will be selected randomly by the committee of DWASA and shall be sent to a recognized testing laboratory and shall be tested for accuracy of the meter flow recording. The tests will be performed at BUET/MIST/DWASA meter testing lab or equivalent test laboratory in Bangladesh for required tests, at the cost of the supplier. If the results are found satisfactory and in accordance with the specifications then the supplied goods shall be accepted.

The purchaser's right to inspect, test and where appropriate reject the Goods after delivery, shall in no way be limited or waived by the reason of Goods having previously been inspected, tested or passed by the Purchaser or its representative prior the Goods shipment.

All expenses related to the inspection and tests in Bangladesh shall have to be borne by the supplier.

If the performance test is not satisfactory, Authority of DWASA reserves the right to reject the goods.

GCC
Clause

33. Warranty

33.3 In order to assure that manufacturing defects shall be corrected by the Supplier, manufacturer, or distributor, as the case may be, a warranty shall be required from the Supplier for a minimum period of three (3) months, in the case of supplies, and one (1) year, in the case of equipment, after performance of the contract or other such period as may be specified in the PCC.

The period of validity of the Warranty shall be : 01(one) year from the date of final acceptance of the supplied goods.

33.6 Upon receipt of such notice, the Supplier shall, within the period specified in the PCC, expeditiously repair or replace the defective Goods or parts thereof, at no cost to the PE.

The Supplier shall correct any defects covered by the Warranty within 15 (fifteen) days of being notified by the PE
