Preliminary examination		
4.	Preliminary examination Procedure	Pursuant to ITT Clause 47, preliminary examination has been carried out by TEC-9 The considerations in ITT Clause 47 are:
	ITT Clause 47.1	The TEC shall firstly examine the Tenders to confirm that all documentation requested in ITT Clause 21 has been provided. Examination of the compliance, adequacy and authenticity of the documentary evidence.
	ITT Clause 47.2	The TEC shall confirm that the above documents and information have been provided in the Tender and the completeness of the documents and compliance of instructions given in corresponding ITT Clauses shall be verified, failing which the tender shall be considered as non-responsive.

Technical examination		
5.	Technical examination Procedure	Pursuant to ITT Clause 48, Technical examination has been carried out by TEC-9 The considerations in ITT Clause 48 are:
	ITT Clause 48.1	Only those Tenders surviving preliminary examination need to be examined in this phase.
	ITT Clause 48.6	TEC will examine the adequacy and authenticity of the documentary evidence which may follow the order below:
		(a) verification of the completeness of the country of origin declaration in the Price Schedule for Goods and related services (Form PG3-4A and 4B) to determine the eligibility of the Goods and related services. (b) verification and examination of the documentary evidence and completed Specification Submission Sheet (Form PG3-5) to determine the conformity of the Goods and related services. (c) verification and examination of the documentary evidence that the Tenderer's qualifications conform to the Tender Document and the Tenderer meets each of the qualification criterion specified in Sub Section C, Qualification Criteria.
	ITT Clause 48.7	Provided that a Tender is responsive, TEC may request that the Tenderer submit the necessary information or documentation, within a reasonable period of time, to rectify nonmaterial nonconformities or omissions in the Tender related to documentation requirements. Such omission shall not be related to any aspect of the rates of the Tender reflected in the completed Price Schedule or any mandatory criteria. Failure of the Tenderer to comply with the request may result in the consideration of its Tender as non-responsive.
