

shipment, the supplier shall submit a list of 3 (three) recognized International Inspection Agencies or Licensed Testing Agents for approval by the Procuring Entity (PE). The approved agent will conduct Pre-shipment inspection and check the compliance of meters with the specifications set forth in this document and country of origin of the meters. Supplier shall submit the inspection report to Procuring Entity (PE). If the report is not satisfactory the contract will be terminated. If the inspection report is satisfactory, supplier/ manufacturer shall arrange training program on operation, maintenance and troubleshooting for 2(two) DWASA Officials at manufacturer factory/premises.

ii) Test & Inspection after delivery:

The following tests will be done for pump-motor set as described below: (a) Rated Flow, (b) Head, (c) Rated Speed, (d) Rated Power, (e) Power Factor, (f) Rated Current, (g) Operating Voltage, (h) Cable size & Standard and (i) Overall Efficiency.

Time or milestone:

After completion of sample selection by the inspection committee.

Place:

Test for at least 10% of the supplied goods will be conducted at BUET/MIST/DUET or any other places as instructed by DWASA.

Procedure:

After completion of delivery of goods to the final destination a joint inspection committee of DWASA will inspect the goods and select sample for testing. Then Procuring Entity shall send the selected sample(s) to the place where testing shall be performed.

If performance tests are found satisfactory, the goods may be accepted. If the performance test is not satisfactory, the supplier shall have to take back all supplied goods at his expense and compensate to the purchaser the loss incurred.

All expense related to the tests & inspection in Bangladesh or abroad shall have to be borne by the supplier.

Joint Inspection Committee:

The Joint Inspection committee will be formed as follows: (not on the basis of seniority)

- 1) Superintending Engineer, RPE&M Circle, Dhaka WASA as Convener
- 2) Chief Security Officer, Dhaka WASA as Member
- 3) Executive Engineer, Field Maintenance Division -1/2, Dhaka WASA as Member
- 4) Executive Engineer, Central Store Division, Dhaka WASA, as Member
- 5) Executive Engineer, P&D (Electrical & Mechanical) Division, Dhaka WASA as Member
- 6) Procuring Entity, Executive Engineer, Procurement Division-1, Dhaka WASA as Member Secretary

GCC
Clause

33. Warranty

33.3 In order to assure that manufacturing defects shall be corrected by the Supplier, manufacturer, or distributor, as the case may be, a warranty shall be required from the Supplier for a minimum period of three (3) months, in the case of supplies, and one (1) year, in the case of equipment, after performance of the contract or other such period as may be specified in the PCC.

The period of validity of the Warranty shall be: Minimum 03 (three) year warranty from final acceptance of goods. In the event of any fault/defect of the goods or parts of them within this three years warranty period, the supplier shall repair (or replace, depending on fault/damage condition) the goods or parts of them at their own cost within 15 days from the issuance of the notification of repair order issued by the procuring entity.

33.6 Upon receipt of such notice, the Supplier shall, within the period specified in the PCC, expeditiously repair or replace the defective Goods or parts thereof, at no cost to the PE.

In the event of any fault/defect of the goods or parts of them within this three years warranty period, the supplier shall repair (or replace, depending on fault/damage condition) the goods or parts of them at their own cost within 15 days from the issuance of the notification of repair order issued by the procuring entity.

GCC
Clause

35. Liquidated Damages

35.1 Subject to GCC Clause 34 and 38, if the Supplier fails to complete the delivery of Goods and
